# What are Transition Services?

Transition Services connect your adult learners to adult school, college, and career opportunities.

## Why refer your students to a Transition Specialist?

As a member of the consortium, your school has access to a variety of services to assist students in achieving their goals.

Transition Specialists work closely with your students and staff to ensure a smooth transition to the next phase of their education or career.

# Transition Services Process

What happens when you refer your student to a Transition Specialist?

## Initial appointment

- Identify student needs, questions, and goals
- Provide supportive service and community referrals if necessary

## Career and College exploration and planning

- Investigate career interest
- Determine skills and education requirements

## Create a transition plan

- Academic and career planning
- Determine next steps - short term and long term goal setting
- Refer to adult schools, college, or workforce centers

## Outcomes

- Enter employment
- Transition to post-secondary CTE/Colleges

Visit our Student and Teacher Resource Website for more information on transition services or to refer a student to a Transition Specialist.
